No: RDSO-SIGOMISC (ISA)/1/2020**(Through email)****Date: 14.01.2025**

Sub: Revised Panel of Independent Safety Assessors (ISAs) for Signalling Projects and Products.

- Ref:** (i) This office letter of even no. dated 23.01.2023, 20.03.2023, 19.12.2023 and 22.01.2024.
(ii) M/s. Jodova Technologies Pvt. Ltd., Bangalore's letter no. Nil, Dated 26.08.2024.
(iii) M/s. DNV Business Assurance India Pvt. Ltd., Mumbai's letter no. DNV/RDSO/ISA/001/R1, Dated 13.12.2024 & 26.08.2024.

Based on the documents submitted by the firm in above referred applications (ii) and (iii), competent authority has given provisional approval to M/s. Jodova Technologies Pvt. Ltd., Bangalore and M/s. DNV Business Assurance India Pvt. Ltd., Mumbai for doing assessment and certification work in signalling and train control scope for maximum four projects/ products each in ISA-Metro, ISA-Mainline Railway and ISA-Generic Product categories. Accordingly, name of M/s. Jodova Technologies Pvt. Ltd. and M/s. DNV Business Assurance India Pvt. Ltd. has been included in the existing ISA panel as a provisionally approved firm. Terms and conditions of the existing ISA panel, issued vide this office letter referred above at ref-(i), shall be applicable for these firms along with terms and conditions for provisional approval as specified in RDSO's "Method for shortlisting ISA".

The validity of panel will remain as it is i.e. up to 22.01.2026 (three years from the original date of issue).

I/70879/2025

Provisional empanelment of this firm in generic category is for specific projects/ products assigned by RDSO. The firm shall obtain accreditation as per ISO/IEC 17065 within two years.

\$ Provisional approval for doing assessment work in signaling and train control scope for maximum four projects/ products in this category as per terms and conditions given at the end.

Terms and conditions for validity of above panel:

The above panel shall be valid with the following terms and conditions:

- I. ISA firm should be selected by Railway/Metro project organization and not by the signaling system supplier.
- II. ISA firm selected for a project should not have been involved in other project activities like general consultancy, tendering, design, testing etc. of the same project.
- III. The panel will be valid for a period of three (3) years from the original date of issue of panel i.e. up to 22.01.2026. If review is delayed, the panel may be extended for defined period.
- IV. The work awarding organizations (Metro Railway/ Zonal Railway/ RDSO etc.) shall ensure that the validity of accreditation of ISA firm as per ISO/IEC 17065 is valid on the date assignment is given to the ISA firm as well as on the date of ISA's final report after completion of the assignment.
- V. Any adverse report on ISA firm may be considered suitable reason for deletion of firm's name from the panel.
- VI. RDSO reserves the right to continue with the panel or add/delete name of any/all firms partly/completely without assigning any reason.
- VII. The firms on the panel may authorize their Indian counterpart offices/ representatives for ease in co-ordination, communication and bidding on behalf of the ISA firm. Such authorization may be communicated to the work awarding organization directly. However, it is made clear that the assessment, certification etc. for the project shall be done by the firm on the panel as above and not by the representatives.
- VIII. In case the firms on the panel change their address, contact details, ownership etc. due to any reason, they should immediately inform RDSO at following address - PED/S&T, room no. 202, Annexe-I building, Research Designs & Standards Organization, Ministry of Railways, Manak Nagar, Lucknow-226011 (India), email- pedsnt@rdso.railnet.gov.in & dirsig2@rdso.railnet.gov.in

\$ Terms and conditions for provisionally approved firms M/s. TUV India Pvt. Ltd., M/s. Jodova Technologies Private Limited & M/s. DNV Business Assurance India Private Limited

In additional to the terms and conditions mentioned above in ISA panel, following additional terms and conditions are applicable for provisionally

I/70879/2025

approved firms M/s. TUV India Pvt. Ltd., M/s. Jodova Technologies Private Limited & M/s. DNV Business Assurance India Private Limited:-

- I. M/s. TUV India Pvt. Ltd., M/s. Jodova Technologies Private Limited & M/s. DNV Business Assurance India Private Limited have been provisionally approved for doing assessment and certification work in signaling and train control scope for maximum four projects/ products each in ISA-Metro, ISA-Mainline Railway and ISA-Generic Product categories.
- II. Continuation of provisional empanelment will be subject to validity of firm's ISO/IEC 17065 accreditation, satisfactory assessment and certification works being undertaken by the firm etc.
- III. Status of provisional empanelment shall be converted into regular empanelment in the concerned category once the firm satisfactorily completes ISA work of at least 2 signalling projects/ products as specified in para B5, B6 and B7 of "Method for shortlisting ISA".
- IV. If the ISA work undertaken by the firm during provisional empanelment is considered to be non-satisfactory, its provisional approval may be withdrawn.
- V. The ISA firm having provisional approval shall ensure that it does not take more than the specified projects in the concerned category failing which its provisional approval shall be withdrawn.
- VI. The work awarding organizations (Metro Railway/ Zonal Railway/ RDSO/ DFCCIL etc.) shall take the undertaking from provisionally approved ISA firm that it has not taken more than the specified projects before awarding the ISA work to the firm.
