

MOM of the Visit of RDO Officials to WRI

Date: 16.07.2025

WRI	RDSO
1. Mr. K. Ravindran, GM/DABG, Capex, Medical & WRI	1. Mr. Subhash Chandra, Director/B&S
2. Dr. B. Shanmugarajan, AGM/WRI	2. Mr. Mithilesh Kumar, SSE/Design

RDSO officials as mentioned above have visited WRI on 16.07.2025 and discussed the possibilities of collaborating with WRI for skill enhancement of their engaged welders and weld supervisors. Following are the outcome of the discussion:

1. To start with the training shall be as per the agreed scope and terms & conditions as mentioned in the offer submitted by WRI, i.e. Special courses in Welding Technology for welders (Course No. SSTC/RDSO/2W) and Welding & Inspection for welding supervisors (Course No. – SSTC/RDSO/1E). Content of training module can be arrived on mutually agreed terms.
2. RDSO has mentioned that they are contemplating training for around 600 welders and 200 supervisors, initially.
3. WRI has suggested that per batch 75-100 welders and 25-30 welding supervisors can be accommodated for their respective courses. For welders, hostel facilities are available on chargeable basis to accommodate the entire batch as mentioned above. Welding supervisors can be accommodated in BHEL guest house, subject to availability on chargeable basis.
4. RDSO officials were given a guided tour to the facilities of WRI for R&D, training & certification and testing.
5. RDSO may identify the specific training programmes for their engaged welders for certification, if required

For WRI

B. Shanmugarajan

(B. SHANMUGARAJAN)

For RDSO
