**Amendment Slip No.- 01 of August, 2025 of RDSO Specification. RDSO/CG-18005, Rev.02  
Dampers for LHB Coaches and Vande Bharat Coaches.**

1. Clause 10.1 shall be read as below:

The supplier shall ensure the efficiency of the dampers for a minimum period of 48 months after supply or 36 months after putting into service whichever is later. The warranty shall cover design, material, and workmanship.

2. Clause 10.2 shall be read as below:

The manufacturer shall furnish a guarantee that each new damper supplied, shall function satisfactorily without attention and in accordance with the requirements of this specification over a minimum period of 48 months after supply or 36 months after putting into service whichever is later.

3. Clause 10.3 shall be read as below:

The warranty shall survive inspection, payment for and acceptance of the goods, but shall expire over a minimum period of 48 months after supply or 36 months after putting into service whichever is later, except in respect of complaints, defects, inefficiency and/or claims, notified to the contractor within 3 months of such date. Any approval or acceptance by the purchaser of the stores of the material incorporated herein shall not in any way limit the contractor's liability.

4. Clause Appendix IV shall be read as below:

**Salt Spray test**

Salt Spray test shall be carry out as per the RDSO ISO guidelines with requirement of specification.
