1	Draft TI/STR/041 (rev 0)	Comments/suggestion submitted by Raychem is related to Specification of Spring ATD.	Noted, it is under consideration.
	M/s D2 engineering Korea	<b>(ii) The "Make in India" policy of government of India shall be applicable.</b> → Does it mean that our company has to have production facilities and manufacture in india ? → Or Do we have to transfer our technologies to any indian compaines to get them manufacture in India? If so, when will the policy become effective? We'd like you to explain detailed about this issue.	It is requested to see " Public Procurement (preference to make in India) order-2017 on following website <a href="https://dipp.gov.in/public-procurements">https://dipp.gov.in/public-procurements</a>
