Dated : 15/97

The General Manager (Engg.),  
Western Railway,  
Churchgate,  
Mumbai - 400 020.

SW:37

Sub.: Speed Certificate for operation of BG DMU stock fitted with all coil ICF bogies upto a maximum speed of 80 km/h.

Ref.: This office letter of even no. dated 27.9.94

The speed certificate under reference was issued for operation of BG-DMU on Northern Railway. It is certified that provisions of this Speed Certificate are also applicable for operation of Western Railway with the following changes in the design made by ICF :-

- Schaku couplers have been provided in place of standard screw couplings and side buffers.
- The power cars fitted with side mounted radiator have been constructed within ED0590 profile approved for standard BG coaching stock. However, on some designs, roof mounted radiator has been provided in the power car and such power car having profile to ICF Drg.No. ICF/SK-9-0-093 infringes clause 31 of Chapter IV(a) of BG Schedule of dimensions in respect of maximum height above rail level. The infringement has been condoned by Railway Board vide their letter No. RB-CEDD/SR/22 dated 31/8/95.
- The trailer coach is fitted with 1st bogies similar to ICF drawing No. WTAC3-0-0-301.
- Copy of the Speed Certificate under reference is enclosed.
