S.No. 1026

No. MC/EMU/MUTP

Date: 10.10.2014

महाप्रबन्धक (इंजीनियरिंग),

1. मध्य रेलवे, छत्रपति शिवाजी टर्मिनस मुम्बई - 400 001
2. पश्चिम रेलवे, चर्च गेट, मुम्बई - 400020

Sub: Amendment no. 1 of final speed certificate for operation of 12/15 car formation BG AC EMU MRVC Phase-II coaches fitted with M/s Bombardier electrics and having pneumatic suspension in secondary stage, up to a maximum speed of 105 kmph on track maintained to other than C&M-I, Vol-I standard.

Ref: RDSO speed certificate no. MC/EMU/MUTP, dated 29.08.2014.

Vide reference above, a final speed certificate for operation of 12 car formation BG AC EMU MRVC Phase-II coaches fitted with M/s Bombardier electrics and having pneumatic suspension in secondary stage, up to a maximum speed of 105 kmph on track maintained to other than C&M-I, Vol-I standard has been issued. Para nos. 2.0 & 2.1.3 and subject of the said speed certificate have been reviewed and accordingly para nos. 2.0 & 2.1.3 and subject of the said certificate have been modified and shall be read as under:

"Sub: Final speed certificate for operation of 12/15 car formation BG AC EMU MRVC Phase-II coaches fitted with M/s Bombardier electrics and having pneumatic suspension in secondary stage, up to a maximum speed of 105 kmph on track maintained to other than C&M-I, Vol-I standard.

2.0 Based on the above, it is certified that 12/15 coach rake AC EMU MRVC Phase-II stock fitted with M/s Bombardier electrics and having pneumatic suspension in secondary stage is fit for operation upto maximum speed of 105 kmph over track laid to standards other than those specified in C&M, Vol.-I of Indian Railways subject to conditions given below.

2.1.3 The maximum permissible speed on curve shall be decided on the basis of existing provision of the Indian Railways Permanent Way Manual, 2nd reprint -2004."
