

Public Competition for Waterless and Odourless Toilets

Declaration of Results

In response to Honble Prime Minister's clarion call for a clean India under the 'Swachh Bharat Abhiyaan', Indian Railways had decided to go in for a public competition for Waterless Odorless toilets in trains. The central idea of this competition was to develop such a design which shall not have foul smell and use no water for operation

and maintenance.

Various ideas collected on website: www.mygov.in & Mail-Id: waterlessodourlesstoilets@rdso.railnet.gov.in before last date of submission: 31st December, 2015, 1700 hours. After evaluation of valid entries by a Jury of distinguished experts from Railways, Industry and Academia/ Research Field, Winners of the competition are declared as under:
