D.O. No.EL.8.5.10

Dated: 12.08.2015

Dear Shri Navin Tandon,

Sub: MCDO for the month of July'2015.

1. HIGHLIGHT:

1.1 Energy efficient HOG train Power supply system:

To address the reliability issues being faced in HOG operation, a meeting was held at Railway Board on 16.06.15. Railway Board, RDSO, CLW, Northern Railway and manufacturers of hotel load converters attended the meeting. Minutes of meeting incorporating reliability action plan to be taken by Manufacturers as well as Railways has been circulated vide RDSO letter no. EL/11.5.5/6 dated 16.07.15 with Rly. Board approval.

1.2 Feasibility study of composite converter for WAP5 loco:

To study the feasibility of development of composite converter for WAP5 class of locomotive, a meeting was held at RDSO/Lucknow which was attended by CLW and representatives of industries on 19.06.15. During the meeting arrangements and technical details for composite converters were discussed and finalised. The minutes of meeting has been issued vide this office letter no. EL/11.5.5/6 (Part) dated. 02.07.2015. Consequent upon this CLW has prepared specification for composite converter and placed on their website for comments.
