

Minutes of meeting at RDSO on 12/03/2019 to discuss the finalization of specification for DPWCS having Interoperable feature

Members Present

RDSO (S/Shri)	FIRMS (S/Shri/Smt.)
1. O.P.Kesari, PEDSE	1. Deepa Bajpai, Sr.DGM Bharat Electronics Limited, Panchkula
2. Sudhir Ranjan, EDSE(System)	2. Vikas Arora, DGM Bharat Electronics Limited, Panchkula
3. Arvind Pandey, DDSE(System)	3. Binu S Pillai, M/s Lotus Wireless Technologies
4. JPS Kutiya, SSE(System)	4. Santhana Krishnan, M/s GE
Railways (S/Shri)	5. Mujeeb Rehman, M/s GE
1. K. Ramesh, SSE/ELS/KZJ/SCR	6. Sunil Khanolkar, M/s ARC
2. Sajen Ekka, JE/ELS/KZJ/SCR	7. M. Srinivas Reddy, M/s Medha

A meeting was convened at RDSO to finalize the specification for DPWCS with interoperable features.

At the outset, PEDSE welcomed all the members for attending the meeting. PEDSE deliberated the requirements for interoperable DPWCS and asked manufacturers/M/s BEL to give their views on same.

The summaries of discussion were as under.

1. All the clauses of FINAL draft specification for interoperable DPWCS were discussed. All the clauses were acceptable to OEMs & M/s BEL except clause no. 1.2.6, 1.2.9, 1.3, 3.33, 5.2, 6.1.3 & 6.22 wherein OEMs were of different opinion.
2. The aforesaid clauses were discussed in detail. The summary of discussion on said clauses are as under:

SN	Clause no.	Clause to be modified as
1.	1.2.6	Clause to be deleted.
2.	1.3	Clause to be deleted.
3.	3.33 & 6.1.3	'Similar' word along with M/s BEL make to be added where ever appearing in the specification. 'Similar' in the context means-Any other vendor offering radio shall be similar to M/s BEL make radio and shall ensure interoperability & interchangeability with BEL make radio.
3.	1.2.9 & 5.2	The period of field trial shall be one month instead of at least 6 month to expedite the development of DPWCS with interoperable features.
4.	6.2.2	Clause to be deleted.
