For attention of PSC Sleeper manufacturers
(As Per Mailing List)

Sub: - Correspondence by concrete sleeper plants with RDSO.

1. It is seen that many times concrete sleeper plants are directly corresponding with the RDSO without routing through the Zonal Railway.
2. Concrete sleeper plants falls under administrative control of zonal Railway and day to day running of the plant. Only limited issues such as, mix design, QAP approval, layout plan approval & oversight inspection are entrusted to RDSO. Approval of mix design, QAP & layout plan etc. are being done by RDSO after it is examined by Zonal Railway. Therefore all the correspondence in this regard shall be done through Zonal Railway only to avoid any delay.
3. The approved copy of these documents shall also be taken through Zonal Railway.
